## Customer Representative Statement

To whom it may concern,

Magnum Products LLC, a business entity located in Berlin, Wisconsin, USA is pleased to confirm the appointment of;

Future Services General Trading & Cont. Co.W.L.L.  
PO Box 29251  
Safat, Kuwait  
Phone: 965-242-0607, 965-242-0608

as our Magnum Products LLC distributor/dealer in the Middle East Region for Magnum branded products and service parts.

As an appointed Magnum Products LLC dealer, Future Services is responsible for the promotion and support of our Magnum brand products and service parts. Magnum will support their sales and distribution efforts by allowing them to purchase finished goods and repair parts for our products provided they comply with our payment and customer service requirements.

Magnum Products LLC has many thousands of our Magnum brand light towers in the Middle East at the present time. Many of these have been sold by, and continue to be serviced and supported by, Future Services. Future Services keeps light tower product in inventory in Kuwait as well as service and maintenance parts required to support the units. In addition, they have a very well trained service department that can service the products if you need these services as well.

Future Services is a very knowledgeable, good and loyal customer. We expect the business relationship between our companies to continue and grow in an environment that is mutually profitable and beneficial. We stand ready to support them in their distribution efforts and will do all we can to assure that they support the end users of our Magnum products.

Sincerely,

James L. Roberts, Jr.
