DISCOVER NEW FRONTIERS

Chevrolet Tahoe takes you and your family to the heart of adventure. Powered by the enormous 324 gross horsepower Vortec 5300 V8, Tahoe handles the off-road with phenomenal capability. This performance is aided by the Z71 off-road package, which includes finely tuned gas-charged shock absorbers for increased capability and durability on rough surfaces, and the rear-locking differential which provides excellent performance in a variety of conditions. Now there's no holding back on the fun!

راحة تُحيط بك
ALL-ROUND COMFORT

When it comes to family comfort, no other vehicle matches Tahoe. The extra large interior allows for comfortable seating for up to nine occupants, with plenty of elbow and shoulder room. To keep them entertained, the available factory-installed DVD system provides movie-watching on the 7-inch color monitor, with wireless headphones and remote control. If you're carrying cargo, then simply fold the second-row seats flat and remove the third-row seats to accommodate whatever you need. Wherever you're sitting, it's an enjoyable ride.

أحكم قبضتك
TAKE CONTROL

Inside the Tahoe, convenience is all that matters. You get an optional 6-disc in-dash CD changer with nine Bose speakers and automatic tri-zone climate control for front and rear passengers. Convenient steering wheel mounted controls keep all your adjustments at hand. And the available Navigation Radio features a large 6.5-inch display with touch-screen activation, and provides turn-by-turn voice prompt guidance to your destination. Chevrolet Tahoe: the great indoors for the great outdoors.
